Danny Yono of 2850 Auburn Road, Owner of Sunoco Gas station, presented his concerns regarding the posted signage that deals with truck traffic on Auburn road. The signs are confusing to the landscaping

businesses and he feels the signs are keeping people from using his business. Chief Baker stated that the signage is directed to large trucks driving through the downtown area.

Ken Clark of 2294 Auburn Road, VanHorn Concrete, presented his frustration with the signage in the downtown area. He would like to be grandfathered in to allow his concrete trucks to travel through the downtown area. Mayor McDaniel stated that the City is appreciative of all the corporate citizens that give back to the community, however he has to keep the safety of the citizens in mind when making decisions. The decisions that have been made regarding the trucks in the downtown area were not easy decisions to make but they were made in the best interest of the community as a whole and the safety of the citizens. The mayor stated that he appreciated the comments of Mr. Clark and his comments will be taken into consideration as the situation is evaluated.

Section 1. Defined Benefit Plan

A. Pension Benefits

In accordance with the Plan Document, the Defined Benefit Pension Plan shall provide pension benefits to the participating employee calculated using a benefit factor of two and sixty-five-one-hundredths percent (2.65%) for all eligible years of service, to a maximum of 80% of final average compensation and will continue to be provided for the employees covered under this resolution, and to set the age for full retirement for vested employees at the age of fifty-five (55) with early retirement no sooner than age fifty (50) with at least ten (10) years of service with a reduction of calculated benefit of ½% for each month prior to age 55. The Pension Plan for this group shall provide adjustments as follows: January 1, 1992, and annually thereafter as of January 1, the amount of pension benefit payable to each retiree whose service to the City has terminated and has reached fifty-five (55) years of age, shall be increased by five percent (5%) of the amount of pension benefit which the participant is entitled to receive, when such benefit first becomes payable. Each January 1 thereafter, the pension benefit shall be increased by the same dollar amount for a period of fifteen (15) years. Employees in the Defined Benefit Pension Plan who are eligible and elect to retire on or after January 1, 2010, shall have their Cost-of-Living-Allowance reduced from 5% non-compounding for fifteen years to 2.5% non-compounding for fifteen years as prescribed in this section.

All eligible employees shall participate in the employer “pick-up” program whereby mandatory employee contributions to the Retirement System shall be paid by the City of Auburn Hills in lieu of contributions by the employees. The terms and conditions of such contributions shall be in accordance with the provisions of the Internal Revenue Code Section 414(h)(2) and related Treasury Regulations and applicable law. The provisions of this section are mandatory, and the member shall have no option concerning the pick-up or to receive the contributed amount directly instead of having such amount paid by the City directly to the Retirement System. Member contributions picked-up under the provisions of this section shall be treated as City contributions for purposes of determining income tax obligations under the Internal Revenue Code; however, such contributions picked-up under this section shall continue to be designated member contributions for purposes of the Retirement System and all other federal and state laws. All contributions picked-up under the provisions of this section shall be considered part of the member’s salary for purposes of determining the amount of the member’s contribution. Implementation of the pick-up program occurs upon authorization by the Retirement System. In no event may implementation occur other than at the beginning of a pay period. Pensions are vested at fifty percent (50%) for five (5) years of service and ten percent (10%) for each additional year, with full vesting at ten (10) years of service.

Employees in the Defined Benefit Pension Plan shall qualify for retirement medical coverage per the current resolution (as defined in Section IX (2) above) with ten (10) years of service as defined in the pension plan and with the attainment of 55 years of age, or age 50 if an early retirement

provision is elected. Employee must be actively employed by the City at the time of retirement in full pay status and meet the qualifying pension age to obtain medical insurance.

B. Supplemental 401(K) Plan

In addition to the Defined Benefit Pension Plan, the City shall make available a Supplemental 401(K) Plan to which employees may make contributions.

Further guidelines are set forth in Section 401(k) of the Internal Revenue Code and in the plan documents.

Section 2. Defined Contribution Plan

For employees hired on or after April 1, 1998, the City will provide a Defined Contribution Plan jointly funded by the employer and employee. The City shall contribute 9% of base salary without an employee contribution. However, an employee who elects to contribute 3% of base income shall have that matched with an additional employer match of 3%, bringing the total employer/employee contribution to 15% of base salary. City contributions shall vest at the rate of 20% per year, 100% at five (5) years. The plan documents more fully describe the Defined Contribution Plan.

Employees in the Defined Contribution Plan shall qualify for retirement medical coverage per the current resolution (as defined in Section IX (2) above) with ten (10) years of service and the attainment of 55 years of age. Employee must be actively employed by the City in full pay status at time of retirement and meet the qualifying retirement age to obtain medical insurance.

Section 3. Deferred Compensation

The City shall make available a 457 Deferred Compensation Plan that is funded solely by employee contributions. Such plan is available to employees who participate in either the Defined Benefit or Defined Contribution plans. Rules of participation are found in the employer plan documents and as set forth in Section 457 of the Internal Revenue Code.

Section 4. Voluntary 457 Plan Participation for Defined Contribution Plan Participants Only

Effective February 4, 2019, the Employer will match dollar for dollar with the Employee, on a pre-tax basis, contributions to an employee's 457 plan on each payroll as follows: \$10, \$20, or \$30. Employee contributions are not mandatory; however, employees will not receive an identical employer match to one of the amounts listed in this section if they do not contribute. Contributions are not tied to wages and therefore are not subject to overtime, rollup costs on benefits, or any other circumstance that would increase employer costs. Employees will make their annual election no later than December 1st for the following calendar year and may not change their election amount until the following election period ending December 1. Failure to make an election by December 1 shall prohibit the Employee from receiving the Employer contribution until the next year's election. The election date for the introductory year only is January 1.

X. TUITION REIMBURSEMENT

The City shall reimburse the cost of tuition at an accredited education institution in accordance with the following:

- A. The course(s) must be related to the job.
- B. Tuition reimbursement will not be made in advance. The employee will pay for the course and be reimbursed upon proof of completion of the course with a grade of "C" or better, and the submission of a signed affidavit that the amount requested has not been requested or received from another source.
- C. City reimbursement will be for tuition and mandatory fees. Books, supplies, and other expenses will be the employee's responsibility.

- D. Reimbursement will apply to active employees only and will require prior approval by the City Manager. Reimbursement will be limited to four thousand dollars (\$4,000) per person per calendar year.

XI. LIFE INSURANCE

The City shall pay the premium to maintain life insurance in the amount of one and one-half (1 1/2) times the annual salary for employees with less than five (5) years of service, and two (2) times the annual salary for employees with five (5) or more years of service, and who are enrolled in the Defined Benefit Pension Plan.

In lieu of the above described life insurance benefit, the employer shall pay the premium to maintain a life insurance policy equal to three (3) times the annual salary for employees covered by the defined contribution plan.

Life Insurance Reduction Schedule: Employees who are in full time active status and who have attained the age of 65 shall have their life insurance reduced by 35%. From and after age 65, employees who remain employed in full time active status shall receive another reduction of an additional 15% (for a total of 50%) once they have attained the age of 70.

XII. VESTED RIGHTS

The passage of this resolution shall not vest upon any employee the right or expectancy to continue receiving any benefits provided for in this resolution. The City Council expressly reserves the right to amend or repeal this resolution, or any part thereof, at any time.
