

## **PRESS RELEASE**

### **Road Closure 2/28/14: M-59 both Directions**

Tonight, February 28, 2014, at 8:00 pm both directions of M-59 between Squirrel Rd. and Adams Rd. will be closed. This road closure will begin at 8:00 pm and the road is anticipated to be re-opened at 11:00 pm tonight. This road closure will allow Electrical Utility crews to stretch new power lines across the freeway.

We encourage motorists to seek alternative routes during this closure. Suggested alternative routes:

- **Westbound M-59 traffic:** Exit onto Adams Rd. (north) to Hamlin Rd. (west) to Squirrel Rd. (south) back onto to westbound M-59.
- **Eastbound M-59 traffic:** Exit onto Squirrel Rd. (north) to Hamlin Rd. (east) to Adams Rd. (south) back onto eastbound M-59.

We thank the public for their cooperation as crews work to restore power to the area. Follow us on Nixle.com, Facebook and Twitter for future updates.
